

Viper 130 TX ML Trolly „Disasterbag“

The VIPER 130 TX Trolly Disasterbag is intended for the use in major damage incidents with a huge amount of space and maximum clarity, and yet still easy to transport.

- Main cases with a modular system that can be adapted to any requirement. All inside pockets can be fixed, removed, interchanged or expanded and freely placed with our velcro system.
- **VKS** Variable velcro system on 2 Layers allows user-specific placement
- **IKS** Individual labeling system.
- 3 robust handles.
- Big reflectors for better visibility.
- Corners and edge protection made out of reinforced material.
- Innovative replaceable protection for the zipper, which also serves as abrasion protection for the entire lower side of the backpack.
- Extendable trolley frame and robust wheels.

Size: approx. 80x46x32cm, with regular package:
approx. 82x48x35cm
