

Der DOCSNAKE 65 MTX is the „big brother“ of the Docsnake 48 MTX For customers who need even more space for material. And also sewn in a heavy duty version, made of stronger materials.

- Main case with a modular system that can be adapted to any requirement. All inside pockets can be **fixed, removed, interchanged** or **expanded** and **freely placed** with our magnet system.
- Safetycase for e. g. avalanche shovel, probe and bivouac.
- Separate, large compartment for private equipment or alternatively for the robust crashproofbox.
- **RMB - Rocksnake Molded Back** - carrying-system.
- Removable, lightweight hip-belt, 38mm wide.
- Anatomically cut, removable shoulder straps with emergency release and buckles that can be exchanged without tools.
- **IKS** Individual labeling system.
- 2 robust handles, robust enough to attach the backpack on a winch or rope.
- Big reflectors for better visibility.

RMB - Rocksnake Molded Back:
Carrying system with a low buildup and a soft, comfortable touch.
